Home4U is our Choice Based Lettings Scheme.

The scheme is for all social housing (this is the name for all homes that are owned by Stevenage Borough Council, North Hertfordshire Housing Partnership, or by Registered Social Landlords [RSLs]) and all properties will be let in this way. Home4U gives you more choice about where you want to live. In the past you may have waited on the Housing Register until the Council selected a property for you. Now you can decide which properties you would like to be considered for. Asking to be considered for one of the homes advertised is called 'bidding'. Later in the magazine we will show you the different ways you can bid for a property.

Home4U is available to everyone on the Housing Register, including:

- Transfer Applicants - existing tenants who would like to transfer to a new home
- Homeseekers - new applicants who are waiting on the Housing Register.

All social housing will now be allocated in this way so if you want to be re-housed you will have to take part. The feedback section of the Home4U magazine will help you to understand the housing

situation in Stevenage and North Hertfordshire. You will be able to see how many properties of each type are available, how many people have applied for them and the band and points level of successful applicants. If you decide that you may not be successful you can look at other ways to solve your housing difficulties.

Stevenage Homes is working in partnership with North Herts College to develop a pre tenancy training package called 'Move On – Move In' which provides the tools to new and existing tenants to manage their tenancy effectively. This is a popular free short course which you will find not only helpful but fun too. For more information please contact the Resident involvement team on 01438 242183 or email: Resident.Involvement@stevenagehomes.org.uk or our Tenancy Sustainment team on 01438 242076 email: TenancySustainment@stevenagehomes.org.uk'.

You should be able to find all the information you need in this guide, but if you have any questions about Home4U you can contact the Customer Service Centres or the Lettings team of Stevenage Homes or North Hertfordshire Housing Partnership. Welcome to the Home4U User Guide

This guide is designed to assist new housing applicants to understand the Home4U scheme. It is intended as a basic guide to the Home4U scheme. If you would like a full copy of one of the Allocation Schemes or further assistance with understanding the Home4U scheme please either visit the Stevenage Borough Council's website on www.stevenage.gov.uk or Stevenage Homes website on www.stevenage.gov.uk or 01438 242666 or North Hertfordshire District Council on www.north-herts.gov.uk or 01462 474000

The Home4U Scheme covers the letting of all the social housing in Stevenage and North Hertfordshire.

Social Housing is the name for all the homes that are owned by Stevenage Borough Council, North Hertfordshire Housing Partnership or by Registered Social Landlords (RSLs). Registered Social Landlords are mostly housing associations, although there are some other specialist RSLs in the towns.

There is a very high demand in Stevenage and North Hertfordshire for social housing. At the start of 2009, there were approximately 9,500 applicants on the housing registers and we are predicting approximately 1,100 new or empty homes each year.

The demand for social housing is already much greater than the supply of new or empty homes, and it is growing very quickly, as the number of new applicants who join the Home4U scheme each year is double the number who are housed through the scheme.

Although in Stevenage and North Hertfordshire the costs of buying a home or renting a home or renting a room are high, we recommend to all applicants on the Home4U scheme that you should explore all your other housing options as well as joining this scheme.

Existing tenants in social housing should explore mutual exchanges (i.e. swapping homes with each other), as it is often easier, quicker and cheaper to find a suitable home this way, and in many cases the rules for exchange may allow people to gain or to keep spare rooms, which the Home4U scheme does not allow.

Most of the applicants on the Home4U scheme will probably not be housed or re-housed through the scheme, and most of the applicants who are successful may have to wait several years before they can place a winning bid.

We hope that you find the Home4U scheme easy to use, but we hope too that all users of the Home4U scheme understand that there is not enough social housing in our towns to meet the demand for it.

Private Rented

There are approximately 4,000 properties rented privately in each Local Authority Area. The councils may be able to help a limited number of households with deposits through their rent deposit schemes.

Homebuy

Homebuy is a government led initiative to help people buy an affordable home through shared ownership. Households with incomes of up to £60,000 may qualify. Details of the scheme are available at www.leavalleyhomes.co.uk or 01582 869440.

More Advice

Stevenage Borough Council and North Hertfordshire District Council Housing Advice Services offer a free service so if you need help with housing or would like to discuss your housing options please contact the Housing Advice Team in Stevenage on 01438 242242 or email housing.advice@stevenage.gov.uk. In North Herts, contact NHDC on 01462 474682 or email housing.advice@north-herts.gov.uk. Their service is free, impartial and confidential.

Helping you find a new home in Stevenage and North Hertfordshire

Home4U gives you more choice about where you want to live. In the past you may have waited on the Housing Register until the Council selected a property for you. Now you can decide which property you would like to be considered for by bidding for it.

Stevenage Borough Council, North Hertfordshire District Council and local Registered Social Landlords participate in the Home4U scheme.

When a property is advertised by a different landlord we will make it clear in the advert.

All Stevenage Borough Council homes and those of the North Hertfordshire Partnership are allocated in this way, so if you want to be re-housed here you will have to take part. You can pick up an application pack in the Customer Service Centres or call them and they will send one to you. You can also download the application form from our websites: www.stevenagehomes.org.uk or www.north-herts.gov.uk. The NHHP form can also be completed on-line at this website.

The feedback section at the back of the Home4U magazine will help you to understand the housing situation in Stevenage and North Hertfordshire, see how many properties of each type are available, how many people have applied for them and the band and points level of the successful applicants (“winning bidders”).

The government's rent restructuring and rent convergence schemes mean that by 2012 the rents of Stevenage Borough Council homes and the Registered Social Landlords' homes in Stevenage and North Hertfordshire will be broadly similar for the same size of property, regardless of how old or new it is or who owns or manages it.

How Home4U works

With Home4U you look for your own home.

There are five steps for you to follow in choosing your new home. There are more details on each section later in the guide:

Step 1 – Membership

You are automatically a member of Home4U if you are accepted onto the Housing Register.

Step 2 – Registration

Once you have applied and been accepted onto the Register you will be registered on the Home4U scheme and allocated a unique Home4U number.

Step 3 – Choosing & Bidding

You can see the available properties on the Home4U website, or in a copy of the free Home4U magazine available throughout Stevenage and North Herts. If you find a property you would like to move to then as long as you are eligible, you can bid for it.

Step 4 – Offers

If your bid is at the top of the list we will invite you to view the property. If you like it and, after all the usual checks, you are eligible, we will offer you the property.

Step 5 – Feedback

In every edition of Home4U we will publish the results of the previous bidding cycles, including how many people bid for each property and the band and points level of the successful bidder.

Feedback

In every edition of Home4U we publish the results of the previous bidding rounds, including how many people have bid for each property and the band and points level of the successful bidder.

We also publish a magazine for applicants twice a year giving you more information about the things that affect people on the Housing Register

You should be able to find all the information you need in this guide, but if you have any questions about Home4U you can contact the Stevenage Customer Service Centre or the Lettings Team at Stevenage Homes on 01438 242666 or www.stevenagehomes.org.uk

In North Hertfordshire contact North Hertfordshire District Council on 01462 474000 or at www.north-herts.gov.uk or North Hertfordshire Homes on 01462 633397 or www.nhh.org.uk or Howard Cottage on 01462 683307 or at www.howard-cottage.co.uk

What happens if I am homeless?

Stevenage Borough Council and North Hertfordshire District Council support homeless applicants and can in some situations arrange emergency and/or temporary accommodation.

If we accept a homeless duty you will be expected to use the Home4U scheme to look for an appropriate property as your permanent home.

If you are unable to participate in the Home4U scheme or if you choose not to, we may find and offer a property to you. If you refuse this offer you may not be given another one and the Council may not assist you further. You will have to leave your temporary accommodation and find your own home.

The Home4U Scheme in more detail

Registration

You are automatically a member of Home4U if Stevenage Homes or the North Hertfordshire Housing Partnership accepts you onto its Housing Register.

Anyone can apply to join the register. If you do not have a local connection to Stevenage or North Hertfordshire, you will be placed in Band B in Stevenage and Band D in North Hertfordshire on the Housing Register.

To have a local connection this means:

- You have lived in Stevenage or North Hertfordshire for six out of the last twelve months
- You have lived permanently in Stevenage or North Hertfordshire for three out of the last five years
- You work in Stevenage for at least 16 hours a week or have a permanent contract of employment in North Hertfordshire.
- You live permanently in a Social Services residential home in Stevenage or North Hertfordshire
- You are a student studying away from home but normally live in Stevenage or North Hertfordshire
- You normally live in Stevenage or North Hertfordshire but are temporarily living away from home:
 - Receiving medical or respite care
 - Living in supported housing
 - In prison
 - Keeping to bail conditions
 - Serving in the Armed Forces

You will not have a local connection if you are living in Stevenage or North Hertfordshire temporarily, for instance on holiday or receiving hospital treatment here.

If you need information about whether you are eligible to go on the Housing Register please contact Stevenage Homes Lettings Team or the North Hertfordshire Housing Partnership.

You have the right to appeal against any decision that we make about your housing application. We will notify you of the outcome within 28 days.

Suitability to Join the Housing Register

Stevenage Homes or North Hertfordshire will consider each new applicant's suitability to join the Housing Register.

This will include the following:

- Looking at the circumstances of the applicant and their household including, a 10 year address history in Stevenage and a 5 year address history in North Hertfordshire.
- Checking that we have been given full, correct and up to date information.

If your behaviour at a previous address was such that if you were a council tenant it would have led to an outright possession order being granted against you, you may be excluded from joining the Housing Register.

Processing your application

We aim to process your application within 10 days of receipt of all documents and information. It is important that you keep the receipt of your application in a safe place for future reference.

When we receive your application form this does NOT mean you have been accepted onto the Housing Register. We do not consider applications until you have supplied all the proofs. If you send us or hand in an application form that is not complete, we will return it to you. It will NOT be considered for registration.

Once we have received your application and all the proofs we need, we will then decide if you are able to join the Housing Register. If you are able to join, your application will be registered and you will be advised of your priority.

Once we have assessed your completed application and we have included you on the Housing Register, we will write to you and tell you your registration date, which band you are in and how many points you have. We will also tell you the size of property you are eligible for, and your unique Home4U number. We will also send you a batch of postal bidding coupons.

If there are any changes to your household, accommodation or personal circumstances, you must contact Stevenage Homes or a member of the North Hertfordshire Housing Partnership and let us know. You may have to complete another form and provide us with evidence. It is very important that we know what has changed as it may affect the points you have been awarded, or the type of home you can bid for.

We advertise available properties:

- In a free fortnightly magazine called 'Home4U', which is available every other Friday.
- On the website at www.home4u.org.uk from every other Thursday to the following Wednesday at 2.00pm. **Your bids must reach Home4U by 2.00pm on the Wednesday**

We may also be able to send you a personalised sheet of the properties that you can bid for - contact one of the Lettings Teams if you need this service.

We advertise ALL available properties in the Home4U magazine

Reviewing your application

We aim to review your application every year. On or near the anniversary of the date of your application or last review you will receive a review letter from Stevenage Homes or North Hertfordshire Housing Partnership.

The letter will ask you to confirm that you remain interested in looking for accommodation through the Home4U scheme and that the details we hold about you and your household remain correct.

It is your responsibility to keep the information we hold about you up to date – applications are often cancelled because people move and fail to inform us of their change of address.

You will need to contact Stevenage Homes or the North Hertfordshire Housing Partnership either to update your information or to confirm the details are correct. The review letter will tell you how to do this.

The Adverts

The adverts give you information about each property available for letting. We will include a photograph and floor plan if available. You can pick up a free copy of the magazine from several places across town including the Customer Service Centre. You can bid for up to three properties in each issue of the magazine i.e. three per fortnight

The image shows a property advert for a 'studio flat'. At the top, it says 'studio flat' in a red box. Below this are three icons: a person icon with '1-1', a person icon with '1', and a bed icon with '1'. To the right is a wheelchair icon. Below these icons is a red box with 'RefNo. 142'. The main body of the advert is a red box with white text: 'Location Stevenage', 'Borough Stevenage Borough Council', 'Landlord Harlow District Council', 'Rent £67.87pw', and 'Features Electric central heating and entry phone but no lift. Easy access to shops and transport. Close to amenities.' Arrows point from the 'Key to advert symbols' box to the icons and text in the advert.

Viewings and Offers

At the end of the bid period we put all bids for each property in points order, for Band A applicants, then in points order for Band B applicants etc. We call this our 'shortlist' for the property. If two people in the same band have the same number of points, the person who has been registered the longest is put first.

The Lettings Teams carry out all the necessary eligibility checks to make sure that people are entitled to bid for that size of property, are eligible to be on the Housing Register and do not have rent arrears.

We will invite the top bidders from each shortlist to view the property, usually during the week following the close of bids.

If you bid you should be ready to view it at short notice.

If you are an existing tenant we will visit you to advise you on how to leave your home before you are offered a new property.

If the person who was top of the shortlist refuses the property, we then offer it to the next person on the list, and so on. If you appear at the top of more than one shortlist at the same time you will need to decide which property you prefer. We will contact you to ask you.

We will advise you of your right to appeal against any decisions and how to exercise that right. If you do appeal against any decisions, we will notify you of the outcome within 28 days.

In most cases we will not have completed all the repair work in the property to bring it up to the Lettable Standard by the time of the viewing.

The Lettable Standard describes the repair standard which empty homes must reach before we let them.

New Customer Interview

If you like the property you have viewed and are happy to accept it we will arrange a New Customer Interview for you. This is likely to be within a week of your viewing.

At the New Customer Interview you will receive the keys to the property and sign your tenancy contract.

We will speak to you about how we can support you in your new home before you move in.

We will also explain to you the conditions of your tenancy contract and identify your rights and responsibilities.

The New Customer Interview will take up to one hour. You will need to bring proofs of your identify to the interview. We will tell you at the viewing what proofs to bring to your New Customer Interview.

Once you have received the keys to your new home your Housing Application will be cancelled

Stevenage Home4U Feedback Report

This is the publication date of the Home4U magazine that the advert appeared in.

Advert Reference Number

Combined with the Home4U magazine edition number, this gives a unique identity number to any advert appearing in the magazine.

Property Size and Type

This is simply a description of the property advertised.

Location

This gives an indication of where the property is within Stevenage or North Hertfordshire. We do not give the exact address because the property may still be occupied.

Bids

This is the total number of bids that were made for the property by applicants on the Housing Register.

This shows the bands and points for the successful bidder.

We aim to re-let most empty properties inside 3 weeks. If you are a successful bidder you need to be prepared to move quickly.
